MEMORANDUM FOR: General Counsel

THROUGH: Chief, Contract Personnel Division

SUBJECT: Per Diem

25X1A 1. An opinion is requested regarding the per diem entitlements  
25X1A of [REDACTED]

2. [REDACTED] was assigned to 8740 DU from Ft. Meade on permanent change of station orders, Tab A attached, and reported for duty on 9 January 1956. Although the station of assignment was Washington, D. C., he was procured for an overseas assignment in EE, and it is customary in such cases to pay per diem for the period of processing in Washington, including the time spent here pending clearance. Normally, married enlisted personnel are billeted in our own barracks thereby reducing the per diem.

8. Had [REDACTED] moved to Washington on permanent change of station orders and subsequently returned to Fort Meade on permanent change of station orders, he would have received two dislocation allowances totaling \$154.20, plus the costs of moving his dependents and household goods back and forth. On the days he performed duties in Washington between 1 May and 26 September 1956, he sustained certain minor expenses primarily additional gasoline consumption occasioned by commuting. While employed in MPD, he worked from 8 AM to 5 PM. Normal driving time between Alcott Hall, his place of employment, and Fort Meade, a slightly shorter distance, reported by our driver in the Motor Pool, would be between 45 and 52 minutes. During rush traffic hours, it might take slightly longer.
